# Life's little luxuries

From villas with infinity pools to relaxing spa treatments, they are all here at the  
**Wyndham Grand Phuket Kalim Bay**

For most of us, the point of travelling is to get away from everyday life. What's even better? When you get to enjoy an indulgent, pampering lifestyle that is worlds apart from the life you know. At Wyndham Grand, we believe travel is the best way to enjoy a taste of the grand things in life. We want you to value each moment of your time with us. Whether relaxing in bed or splashing around in your private pool, our goal is to transform ordinary experiences into unforgettable memories. Everything we do enables you to escape the everyday, and embrace the extraordinary. This is where the Wyndham Grand Phuket Kalim Bay comes in. For starters, the resort is only 10 minutes from the popular Patong Beach and Jungceylon shopping mall, and there are regular free shuttle services. But you won't be aware of the close proximity to town because the resort is housed on a clifftop with unobstructed views of the sea, meaning you'll wake up to idyllic ocean views and fall asleep at night to the soothing sound of lapping waves. But you'll be in for an even bigger treat if you book one of the suites or villas... they come with their own outdoor deck with lounges and – wait for it – a private infinity pool.

## The ultimate breakfast

Forget breakfast in bed – enjoy a floating breakfast in your own pool! A service exclusive to suite and villa residents. If you want to get out of your residence, you can dine in style at Latitude 98 where there's Thai and Italian mouth watering dishes and on Saturdays has the buffet with several live cooking stations or enjoy a Thai cooking class. Alternatively Infiniti Lobby Bar offers Thai Tapas indulge in Mediterranean favourites at Thabtim Cafe' and our The Deck Pool Side Bar offers snacks and refreshing floating Flamingo cocktail.

## Maximum pampering

Book the Energising Package at Zana Spa. This top-to-toe treatment begins with a herbal foot ritual. Next, you enjoy a Himalayan salt scrub and energising bath, followed by a deep tension relief massage. The spa also has treatment rooms equipped with Jacuzzi baths or Vichy showers, said to boost circulation. Then, head back to your posh villa and lap up the stunning ocean views from your plush king-sized bed. Life is good.
